Dear Mr. Aspiras:

The purpose of this letter is to inform you that Jacobson Mfg, under CAGE code **58PU8**, has been approved for the Qualified Suppliers Lists for Manufacturers (QSLM) of Classes 3 & 2 Threaded Fasteners effective the date of this letter. This Qualification is based on several factors: 1) compliance of your Quality Manual and Procedures to the QSLM *Criteria*, 2) the results of the on-site survey conducted by DCMA on April 14, 2009, and 3) good customer references. Qualification must be renewed after a three-year term, and is subject to removal as determined in the *Criteria and Provisions*. Keep in mind that post-award audits may be conducted at any time, either announced or unannounced, by either DSCP personnel or our designated representatives.

For your convenience, the *Criteria and Provisions* are available online at <http://www.dscp.dla.mil/gi/qs/>. For any questions or concerns, you may contact the undersigned at 215-737-7022, or send e-mail to [Jonathan.Vidal@dla.mil](mailto:Jonathan.Vidal@dla.mil). Our fax number is 215-737-7008. Thank you for your participation.

Sincerely,

A handwritten signature in cursive script that reads "Jonathan Vidal".
